LANPHIER  
HIGH SCHOOL

SPRINGFIELD, ILLINOIS

Published by  
the  
Senior Class

Volume 2

## Foreword

Through loyalty, we have been able to bring to you this yearbook which will, we hope, admirably demonstrate the progress Lanphier High School has made in one year of operation. Without the loyalty of teachers, friends, and students there would have been no such organization. We hope that this edition of Lan-Hi will help you to remember the loyalty to your Alma Mater that characterized the first year of Lanphier High School.

MR. G. E. STICKNEY

Principal

B.Ed. Western Illinois State Teachers College.

M.A. State University of Iowa.

Mr. Stickney has majors in history, mathematics, and in supervision and administration.

In September, 1934, he came to Converse High and Grade School from Lawrence School where he had served as principal for eight years.

His earnest desire has been to give Lanphier students the finest opportunities for a good education at the lowest possible cost to them so that all may be able to finish a fine four-year course.

#### ILAJEAN COLSON

Miss Colson came to Lanphier in September, 1937. She is the school treasurer and secretary. She is a graduate of Springfield High School and Brown's Business College.

#### BETTY KEAGLE

Miss Keagle came to Lanphier in September, 1937. She is the school attendance clerk. She is a graduate of Lanphier High School and is now attending night school at Illinois Business College.

MR. LEE W. GOBY  
Boys' Counselor

Bradley Polytechnic Institute.

Mr. Goby has served Lanphier High School since 1930 when the high school work began at Converse. He was appointed Boys' Counselor in January, 1935. Besides this very responsible duty he is a teacher in the Industrial Arts Department.

MISS HULDA L. ALBRECHT, A.B.  
Girls' Counselor

Bradley Polytechnic Institute.  
University of Wisconsin.

Miss Albrecht began her work in Lanphier High School in the fall of 1934. She was appointed Girls' Counselor this last fall. Her duties are parallel to Mr. Goby's in that she advises students and straightens out programs and other tangles. She also teaches in the Social Science Department.

## THE ART ROOM

The Lanphier High Art room is the utility corner of the school where we learn to make art function in daily living.

We study color harmonies so we may live beautifully — using beauty of color in our clothes, in our homes and in our city. We study design that we may know how to buy in Springfield stores, to produce lovely homes, to set attractive tables, and to arrange shrubbery and flowers which enhance the appearance of our yards and gardens. We also apply our design principles to making the most of our appearance — using the right proportions and lines for the fat and the thin, the dark and the fair.

Included in a list of activities for the past year are practical lettering projects for the school, fanciful and decorative masks, colorful chalk pictures, interesting portrait studies, attractive clay figures, painted wooden bowls, forceful posters, miniature houses. Ours is a busy and happy domain.

MABEL KITCH—Loyalty is one of the materials of which true character is built.

## COMMERCIAL DEPARTMENT

The Commercial department offers Freshmen an opportunity to learn something of business life in its various fields. The Bookkeeping course for Sophomores develops the ability to interpret financial statements.

Juniors and Seniors, through the study of shorthand or typewriting, may obtain a handy skill for use when a greater speed than longhand writing is needed. Second year work develops such speed and facility in writing as to be of commercial value.

NELL A. PLAIN—An ounce of loyalty is worth a pound of cleverness.

ROBERT M. CAIN—The successful man has loyalty.

ARIEL SWORDES—Loyalty is a business attribute necessary for success.

DON T. ANDERSON—The difference between a friend and just another acquaintance is loyalty.

## ENGLISH DEPARTMENT

The general plan has been to alternate composition and literature courses. This year a course in remedial reading was added to the curriculum for the benefit of those students who have poor reading ability.

Journalism, the Drama course, and Speech work in the last year's curriculum are popular electives.

**NATHAN R. JERALD**—Loyalty to oneself is necessary to maximum comfort.

**RUSSEL H. FOWLER**—Give me loyal friends and keep your gold.

**RUTH M. VAN DEVENTER**—Loyalty springs eternal in the human breast.

**HELEN TEELE**—The happy heart is the loyal heart.

**EMILY B. LAMEY**—A clear mind, a friendly hand, and a loyal heart.

**GRACE COX**—Minds aroused, spirits free, hearts inspired—Thus are loyalty's noblest passions fired.

## HOME ECONOMICS DEPARTMENT

Home economics seems to be drawing the interest of more girls each semester. A major in home economics is a valuable preparation for a job, for personal accomplishment and for better living. It prepares a girl to do better those desirable things which she will need to do anyway.

The Freshman in home economics takes a composite course, called homemaking, which consists of short units of personal regimen, family relationships, child development, home nursing, food preparation, earning and spending, clothing selection and construction, household furnishings and vocations. Foods I and II and clothing I and II are open to any girl who has had homemaking. In foods one studies food preservation, preparation of breakfasts, luncheons and dinners, dietetics and entertaining. In clothing a girl makes a woolen and a silk dress, learns to draft an original pattern, and studies consumer buying.

**DOROTHY KELLAR**—The backbone of every successful man and of every successful school is loyalty.

**RUTH WINEMAN**—Loyalty leavens the loaf.

## INDUSTRIAL ARTS DEPARTMENT

In our school we have three unit Industrial departments—the Wood-work Shop, the Print Shop, and the Drafting Room. In these departments the desired activities for natural experiencing may be secured. Each of the departments offers a major in its field and assists in giving a try-out general shop course. All boys are encouraged to take this unit of general shop during their Freshman year in order that they may discover by their own experiences their special aptitudes as well as their limitations.

LEE W. GOBY—Loyalty is the silent partner of success and friendship.

F. R. SIEFFERMAN—The printshop is run on the loyalty of a student to himself and to his fellow students.

HARRY C. MORGAN—Loyalty's like a shining light beckoning friends.

ARTHUR B. MCCALL—Brilliance may achieve success but loyalty keeps it.

## LIBRARY

The Lanphier High School Library at the present time numbers about twenty-seven hundred volumes. The collection is not large but the books are well chosen to meet the needs of the students and faculty.

The aim of the library is to provide any supplementary materials and helps which the student may need in preparing his work, and to have that material well organized and available for quick and effective use. Here we strive for a spirit which will set the tempo of the entire school.

## LATIN DEPARTMENT

The study of Latin as embodied in the two-year course offered in this department presents a many faceted view of the Romans from whom we derive many of our laws and customs, our beliefs and ideals, our art and literature. We also study word derivation, for more than fifty per cent of the words of the English language are of Latin lineage.

JEAN V. THOMAS—Be sure the object of your loyalty is worth your devotion.

ETHEL FURLICH—Loyalty? You mean "fidelitas," don't you?

## MATHEMATICS DEPARTMENT

We are proud to say that Lanphier students are realizing the value of the study of Mathematics to the extent that the growth in this department has exceeded the exceptional growth of our school.

The usual courses in algebra and geometry, required for college entrance, are offered, as well as courses in solid geometry, college algebra, and trigonometry, for those who intend to study mathematics or science, in college. The latest addition to our curriculum is a course in general mathematics for Freshmen. Besides introducing the student to algebra, geometry, and trigonometry, this subject gives valuable information about home problems. Although this course is intended for students who are not planning to enter college, it offers college entrance credit.

With the above curriculum, we strive to give the students the cultural and practical values of mathematics by showing its application in other studies and to problems met outside of class.

BLANCHE RAMAN—Are you loyal?  
I'll see you at the next game.

FREEMAN C. GOODWIN—Loyalty  
is that urge which makes one act even  
tho' at a sacrifice.

## MUSIC DEPARTMENT

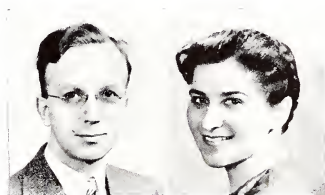

Our Springfield school administrative bodies have asked that every pupil in the high school take at least two years of Music before he is graduated. He may choose Orchestra, Band, or Choir if he is qualified for them. If he is not, then he goes into the general Music class.

During the two years in these general classes the student gets a background of understanding and appreciation for the music to which he will be exposed during his lifetime, through radio, movies, musicals and concerts. This work includes a survey of music theory, part singing, great musicians of the present day, and well known unison songs.

The Music department at Lanphier is under the very capable direction of Miss Vera Whitlock and Mr. Edwin Sach. Of the musical activities, Mr. Sach is director of the band and orchestra and Miss Whitlock is director of the choir. Both teachers have charge of the general Music classes.

VERA E. WHITLOCK—Loyalty achieves what courage attempts.

EDWIN SACH—Loyalty is what makes the music go 'round and 'round.

## PHYSICAL EDUCATION DEPARTMENT

The aim of our Physical Education department is to conduct a program of physical activities, by offering a variety of skills and recreational activities. Physical Education classes, interscholastic sports, and intramural games are carried out at Lanphier. One period a week is devoted to personal and social hygiene.

In the fall, football and soccer are played; in the winter, basketball, volley ball, tumbling, deck tennis; and in the spring, track, tennis, and softball are played.

The sports program has a second phase, the intramural competition. It provides sports activities for boys who want more athletics than they receive in daily classes but are not on any school team. No boy on a school team is permitted to take part in the intramural program. Tournaments are conducted in basketball and baseball and next fall touch ball will be added. The third part of the athletic program is interscholastic contests.

LEONARD J. RAKE—Loyalty made a nation and saved it.

CAROLYN MOUNTJOY—Loyalty without action is a barren undaer.

## SCIENCE DEPARTMENT

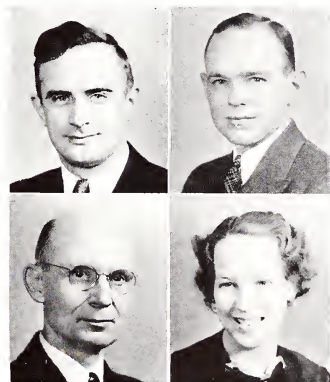

The department of Science offers a course in General Science, Biology, Physics and Chemistry. The aims of these courses are: (1) to give the pupils information concerning scientific facts and principles; (2) to give training in methods of gaining information and organizing scientific knowledge; and (3) to arouse in them an abiding interest in Science for the sake of pleasure, intellectual profit, and culture.

HUGO LINDQUIST—Show me a loyal man and I will show you a man who is universally respected.

R. L. BOBLENZ—Loyalty creates enduring friendship.

FRANK E. MOORE—Trust is repaid by loyalty.

VIRGINIA BURR—Warm and human must the lesson be, Taught with joy and full of loyalty.

## SOCIAL SCIENCE DEPARTMENT

The object of the work in Social Science is two-fold: First, to familiarize the student with the forces and laws under which society is formed and second, to bring him, so far as time permits, into personal contact with specific contemporary social problems.

Each course deals with the relationship between persons and groups and contributes toward a more adequate understanding of some phase of social life and thus promotes a more intelligent citizenship.

HULDA L. ALBRECHT—Where there is no loyalty there can be no endeavor.

ROLLA C. SORRELLS—A loyal man may be beaten, but he is never scorned.

MARSHALL B. ANTLE—Loyalty lightens the load.

CLEO M. DOPP—Loyalty—the key to school spirit.

## PET PEEVES OF THE FACULTY

MISS VAN DEVENTER

I have to work  
And work with all my might  
In order to publish  
The Lanphier Light.

MISS COX

I always regret the time  
Between each class  
Because the kids make so much  
noise  
When they pass.

MR. FOWLER

School pep is what we lack  
So let's get together  
Back to back.

MR. JERALD

Just one-half hour for study  
Is all I can say  
And I always say it  
In my own familiar way.

MR. DOPP

There's no reason why  
I should get a shoe shine  
Because it will rain  
Nearly every time.

MISS PLAIN

Chewing gum is a horrid thing  
The sight of it  
Makes my poor ears ring.

MISS SWORDES

Today we will have  
A fifteen minute test  
And I want all you typists  
To do your best.

MR. GOBY

All through the day  
You can hear me mention,  
"Boys, Please give me  
Your individual attention."

MISS THOMAS

In the study hall  
Most any time of the day  
"Let's quiet down,"  
You can hear me say.

MR. SACH

Here it is almost June  
And those saxes  
Are still out of tune.

MISS KITCH

There's always something  
For me to do,  
And that is to clean up my room  
When the day is through.

MISS MOUNTJOY

Measles! Measles!  
What a horrid thing to say,  
They had me in bed  
For two weeks and a day.

MR. ANDERSON

These kids at Lanphier  
Sure think they are wise  
When they are teasing me  
About my bow ties.

MR. RAKE

They have called me Clark Gable  
The last few years  
But I don't see why,  
I haven't very big ears.

## MAY 1938 SENIOR CLASS HISTORY

Bewildered and timid Freshmen, now dignified Seniors, entered Converse High School in September, 1934. Along with us came our principal, Mr. G. E. Stickney. One of the highlights of the Freshman year was the winning of the Freshman Football Championship. A few parties and the usual Freshman activities completed our initial year.

In the fall of '35, "the brain was greater and the brawn was mightier." During the year it was decided that a new high school was needed to take care of the large enrollment. Enthusiasm ran high as the students realized that they were going to have a new high school the following year. The year was brought to a joyous close with a picnic at Lincoln Park.

Our Junior year was a well-rounded one. We played the faculty in basketball and were the first team to score a victory over them. At mid-year we entered the new building. The Junior-Senior Prom was given this year for the first time.

We began with pride our Senior year because we were the first class to have been with Mr. Stickney for the four years of high school and to be graduated by him.

## CLASS OF JANUARY 1938

The pictures on this page are part of the 1938 January graduating class. By graduating in three and one-half years, or transferring from another high school they were unable to have their pictures in the last issue of the Lan-Hi.

During its four years, this class has contributed much to Lanphier—athletes, scholars, actors, musicians, mechanics, and good citizens—bringing credit to the school of their choice.

In saying farewell, we sincerely hope that the following classes will try their utmost to uphold the traditions of Lanphier High School as we have tried; and, we as graduates, will try to bring credit to our Alma Mater.

## JANUARY 1939 SENIOR CLASS HISTORY

January, 1935, was a memorable month for the present 12<sup>1</sup> class, for it opened to them a new future as high school students and was the starting of four happy years.

Trying to give the appearance that they weren't mere Freshmen they only verified the fact to the upper classmen.

Each year they looked forward to the time when they would pass into a higher class and each year they felt the same, even though they were one grade higher.

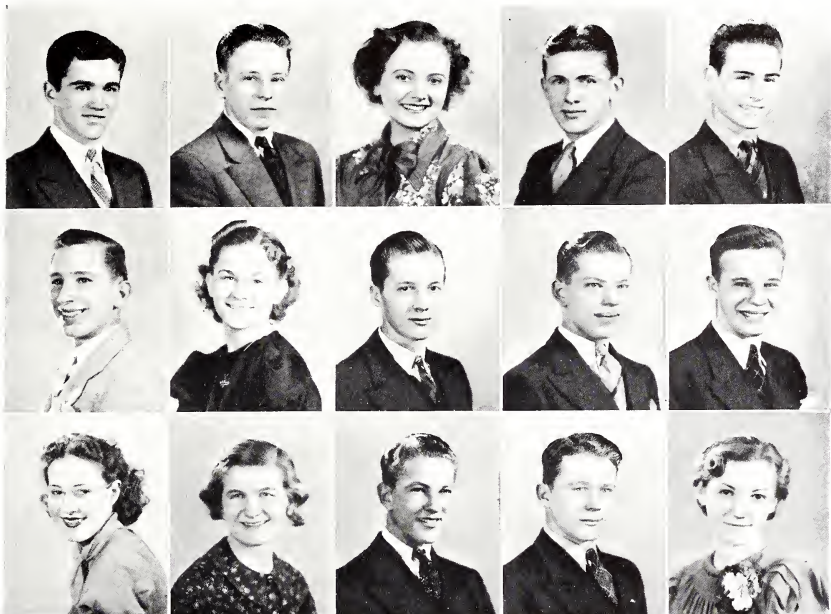

Now that graduation steadily approaches they find it will be with regret that they leave the school and would gladly accept the offer to live those four years over.

From this class many different occupations will probably be represented and through the years, class friends will gradually separate into different paths, but never will the memories of the happy days at Lanphier High leave their thoughts.

With tears in their eyes the '39 Seniors will bid the school a sad adieu.

## **JUNIOR CLASS HISTORY**

With a few new faces and a new group of faculty advisors we entered our second year at Converse which was terminated in the Lanphier building. Counseled by our advisors we had many helpful and instructive homeroom programs.

Among those outstanding in athletic activity were Gibbs, Coy, Ramsey, Whitlock, R. Favero, and Hayes who participated in more than one sport. We are proud of those also who earned their laurels in one branch of athletics; in basketball, of Waters and O'Reilly, and in football of newly elected captain, Harold Smith, Chestney, Madonia, Williamson and Ayers. In baseball and track Abbott, Leavy, Carroll, B. Gates and Faraci have done their full share to keep the colors of the Junior class flying high.

But do not hurriedly conclude that our reputation is based solely upon athletic accomplishments because in no class is the cultural element more noticeable. Included in our group are such excellent musicians as Abbott, Cantrall, Apblett, T. Fernandes, Drone, Chestney, Frasco, Gabriel, Gillock, Lascody, Sager, Sklenka, Stine, and Thornburgh who compose a very large portion of the band. In choir, too, we are well represented by Alkire, Morris, Redpath, Saputo, LeFevre, Plain, Beck, Bolinger, Hodge, Hedrick, Morrell, George, Hendricks, McCoy, Reed, Davis, Coy and Whitlock.

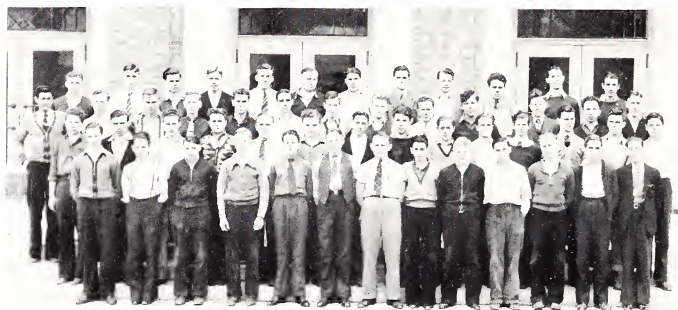

Besides having many of our classmen active in sports, clubs, and various other activities, we have a group of six who are on this year's Lan-Hi staff. Those working consist of: Whitmore, Assistant Sports Editor; Kenny, D., Assistant Art Editor; Reed, K., Assistant Photograph Editor; Roschanske, F., Assistant Club Editor; Monohan, G., Assistant Composition Editor; Thomason, E., Assistant Literary Editor.

Due to the untiring efforts and boundless energies of Kay Wiedlocher and John Williamson, co-chairmen, their numerous committees, and the aid of our class advisors, our prom held in May was a great success. We wish the classes of the future a life at Lanphier as pleasant as ours.

## SOPHOMORE CLASS HISTORY

Feeling proud of our new school we, two hundred fifty Sophomores, entered the building, but our fears disappeared after we met our first teachers.

The Sophomores were well represented in school activities. In football the Sophomore, Leno Petrilli, carried off many honors. Other Sophomores had the experience of playing in the line. The game of basketball also profited by the Sophomore athletes. Vincent DiGiovanna helped the Lions out in many a tight spot during the games. Richard Tarvin, Louis Gibbs, Jack Freeman, Ray Ramsey, Donald Jackson, Tony Rockford, and Frank McKinney were other Sophomores sharing honors in basketball. The coaches also had a grand turnout for track from the Sophomore boys.

The Sophomore girls also made Lanphier history. The only two girl drum majors in the history of Lanphier High, and even in the city high schools were Betty Hughes and Elinor Kinner. Some girls played in the orchestra and band. Eight Sophomore girls helped represent the school on the debate platform. We had Sophomore girls as cheer leaders, usherettes, and members of various clubs.

Now at the end of our reminiscences through the past years, we can easily see that the Sophomores really contributed many pleasures to Lanphier High and helped to attain many honors for the school.

## FRESHMAN CLASS HISTORY

With feverish excitement, the Freshmen of 1937-1938 entered the portals of Lanphier High School. After the first few days of rushing and being bumped around, they finally became accustomed to the routine, but first went through the usual hazing that "'Freshies" must endure. They took it unflinchingly when called "cooties" and laughed when they had the elevator gag played on them. Getting to the right room on time, and figuring out what the pink slips that were given to them were for, proved a problem; but they soon became settled to the arrangement. There are three hundred fifty-two Freshmen this year, outnumbering last year's group by ninety-two pupils.

They have taken a great interest in scholarship, and those who rated the superior honor roll the first semester are: Lillian Antonacci, Lawrence Beard, Frances Bezgowsek, Gloria Bradley, Dorothy Butzman, Rena Bartolozzi, Elizabeth Eigenmann, Alinda Ann Franz, Irene Fulton, Ruth Petrokas, Billy Primm, Lucille Walker, Lois Young, and Louise Zanders.

They have also proved their worth in athletics, a few of the outstanding boy athletes being Fred Yannone, Ted Noll, Joe Selvaggio, Wayne Bolinger, Robert Brooks and John Knotts. Howard Clemm is a good track prospect. Some of the girls who have displayed outstanding athletic ability are: Irene Fulton, Mabel Otken, Mary Frasco, Emabel Spent and Ruth Netznik.

The Freshmen are also represented in the musical organizations. The Lanphier High School Band members are: Maurice Colin, Thomas Vost, Alfred Swettman, Robert Marr, Joe Selvaggio, Tony Crifasi, Matt Noonan, and Bob Sallade. The choir members are Lois Young, and Evelyn Purnell.

Various clubs and organizations have pledged a goodly number of "freshies," and are convinced that they will make excellent club members.

They are working hard to make these years fruitful in good deeds, sportsmanship, thoroughness, and high standards of attainment, so that they may become citizens of whom Lanphier may be proud. We hope that in the succeeding three years, the Freshmen will have acquired every-thing essential for their success in school and in future years.

Louise Zanders.

## A SCHOOL DAY

Every morning a little after eight  
 I leave home so that I won't be late;  
 Then in the halls I linger a while  
 And give all the girls a great big smile.  
 Then into the typing room I pass  
 Because this is my first class.  
 After I have sat down in my choir  
 Mr. Stickney comes on the air.  
 He says that he has a few things to say  
 Like after school there is a meeting of the G.A.A.,  
 Then after he is all through  
 My typing lessons I start to do.  
 Then when all my lessons are done  
 To economics I go on the run;  
 Here I learn some of the business problems of life,  
 How to save money and take care of a good wife.  
 Then to bookkeeping I speed like a dart  
 To get in the room before class will start;  
 One of the great ambitions of my life  
 Is to be a good bookkeeper so that I can support my wife.  
 Then I go down to the Avenue to get something to eat  
 And here some of my friends I meet;  
 Here we have a pretty nice time  
 For just a nickel more than a dime.  
 Then to school I must return  
 And this makes my poor heart burn.  
 My first period in the afternoon  
 Is in the English literature room;  
 Here is where I really try  
 To get a good grade so that I will get by.  
 Then to the study hall I proceed  
 And take with me the books I need.  
 Here I get most of my homework done  
 So that at night I can have some fun.  
 Then I go to my physics class—  
 This is the hardest subject for me to pass;  
 I study the book through and through  
 And still I don't know what to do.  
 But graduation day will soon be here,  
 Then I will have nothing to fear,  
 For I will leave good old Lanphier High  
 But will always remember it until I die.

Eddie McGlennon,  
 The Wandering Bard.

Mr. Roke

Mr. Anderson

Mr. Sorrells

Mr. Leonard J. Roke is athletic director of Lanphier High School. He also coaches the freshman football team, tumbling, and directs intramural sports, so that all students who are not able to make the varsity teams may have a chance to take part in some activity.

Mr. Anderson is head of the varsity football team. Although Coach Anderson's team met with injuries to some of the star players, they added to the rising glory of Lanphier High School.

Mr. Sorrells, our newly acquired basketball coach, comes to us with a fine record behind him. His team this year won the majority of their games, the holiday invitational tournament, and went to the regional.

Mr. Lindquist, our baseball coach, predicts a very successful season for the boys on the diamond. Though there are only two other city teams, Feitshans and St. James, Mr. Lindquist hopes to book some games with strong teams from out of town.

Mr. Robert Cain is the tennis coach. Mr. Cain is planning to send his team to the district meet. The winner of these matches will go to the state to fight for state honors.

Mr. Dopp is head track coach and also assists Coach Anderson during the football season. Mr. Dopp is looking forward to a great season on the cinder oval for his thin clods.

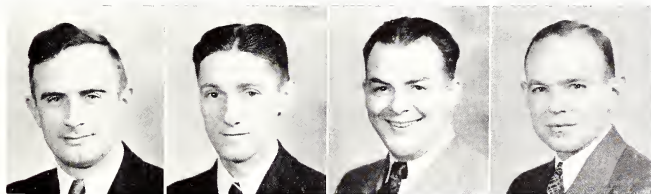

Mr. Boblenz is assistant varsity basketball coach. He coaches the freshman and cub teams. A Lanphier team entered the Athens invitational for sophomores and walked off with the championship.

## THE LAN-HI STAFF

The second Lan-Hi staff of Lanphier High School was elected and organized by the Senior class in September, 1937. With this occasion began the most interesting and educational year we have ever spent within these portals.

With the help of our faculty advisors, Miss Raman, Miss Plain, and Mr. Goby, it has been the staff's endeavor to make the Lan-Hi of 1938 bigger and better for the enjoyment of the students of Lanphier High School, to give to the school a more interesting, well arranged and artistic book, and to give you a yearbook you will be proud to place on your shelf where it may remain to recall the memories of our dear Alma Mater.

On behalf of the entire staff I wish to say that we have enjoyed giving this book to you. May you enjoy it wholly as much.

## BAND

The band boasts of being the most active large organization in the school, having made an average of one appearance a week for the entire school year. It has outgrown the elementary stage and is now a fine and popular musical organization.

Color and life have been lent to many a game and celebration by the appearance of the nifty orange and black uniforms and the fine spirit of these players.

The Band received first division rating in a contest at the Illinois State Fair last summer and this spring is entering the regional band contest at Quincy, Illinois.

## ORCHESTRA

A lot of work has been done by this group since the first rehearsal last September, and the results are enviable. From the rudiments of bowing and blowing to playing a Schubert Suite is a long step but the Orchestra has taken it all in its stride this year.

The Orchestra has appeared several times on the school calendar, having played for "A School for Husbands," and at the Baccalaureate Services and Commencement programs in January and in May.

With its increased personnel and carefully laid foundation the Orchestra looks forward to becoming one of the very popular cultural organizations of the school.

## CHOIR

Our Choir has created for itself an enviable reputation from the time it was organized to the present time.

At the end of two semesters of satisfactory work and required attainments, a member is awarded the coveted emblem and full high school credit. Graduating Seniors of three years membership receive chenille emblems, instead of the usual ones of felt.

They have presented several programs in nearby schools. In addition they sang the greatest of all oratorios at Christmas time, "The Messiah" by Handel. They were assisted by four of Springfield's best solo voices—Miss Pearl Anderson, soprano; Miss Maxine Simons, alto; Mr. Charles Fetzer, tenor and Mr. Kenneth Cummings, bass. The spring operetta was an elaborate Spanish musical comedy, "The Belle of Barcelona" by Chaney.

## COMMERCIAL CLUB

The purpose of the Commercial Club is to encourage high standards of efficiency and achievement; to instill worthy ethics and ideals; to learn of modern business systems; to produce work that is neat, accurate and efficiently done. Meetings are the second and fourth Mondays each month.

The year's activities, included: On October 26, Mr. Gresham from Brown's Business College gave an interesting talk about the value of general education in business. Mr. Witzman, manager of the Bell Telephone Company, explained how to use the telephone correctly, discussed television, teletype, and the latest developments in the line of telephones. Cultivate a pleasant voice and a pleasing personality in business were some of Miss Maude Myers, Secretary of Illinois Civil Service Commission, suggestions. A Christmas party concluded the first half year's activities. The second semester included: A talk on daytime cosmetics; teletype demonstration; a talk on insurance; a Gregg shorthand demonstration and a Commercial Club picnic on May 16.

Club officers are President, Maxine Wertz; Vice President, Marietta DeVon; Secretary-Treasurer, Ruth Kincaid. Club Advisors are Miss Plain and Miss Swodes.

## DEBATE CLUB

The Debate Club was organized in 1935.

The club was composed of four teams, now has eight teams. Four of them are engaged in inter-school debate, the other four in intra-school debate. Besides debating in our school and against other schools, we have debated before young people's church groups.

The questions upon which we have debated this year were: "Resolved: That several states should amend their constitutions to provide for a system of unicameral legislature," and "Resolved: That movies are harmful."

Its purpose is to develop individual initiative and learning to apply proper English speech and conversation. Many members have joined the club to overcome shyness and backwardness in social activities. Our members are now among the workers and leaders of the school.

There now remains four charter members in the club. They include Wilbert Collard, Harold Reisch, Jim Van Gundy, and Robert Cantrall.

## DRAMA CLASS

The first drama class at Lanphier High School was organized at the beginning of the second semester, January 22, 1938. Mr. Jerald was forced to eliminate all Juniors from the applicants, which numbered sixty as only thirty textbooks were available. In addition to this first elimination, several post graduates were kind enough to give up their memberships in the class until the enrollment was cut to twenty-nine.

The work of the class consisted of two main divisions, a study of drama and an activity program including radio broadcasting, one-act play casting, directing, and acting, and the entire work of staging the senior class play, "Peg O' My Heart."

## G. A. A.

The fairest and finest might be the adjectives applied to the Girls' Athletic Association of L. H. S. Since its organization in 1934, this association has been one of the leading and most successful of the extra curricular activities for girls in high school.

The official organization of the G. A. A. has been as follows: Sponsors 1934-36 Miss Albrecht, 1937-38 Miss Mountjoy. Those girls who participated officially between the years of 1934-38 are Hedwig Ollech, Virginia Cooper, Marge Fromm, Pauline Gyuran, Rose Feltenstein, and Rosina Cervellone.

The accomplishments during the year of 1937-38 were: two play days, volley ball tournament, basketball tournament, deck tennis, baseball, soccer, and social dancing.

The winning team of the volley ball tournament was that of Dorothy Ford. Rosina Cervellone's team came out the victor in the basketball tournament.

The chief aim of the G. A. A. is sportsmanship. Each year emblems are awarded to those girls who prove themselves adept in these sports, keep good attendance, and engage in the activities.

## HI-Y CLUB

The Lanphier Hi-Y Club was organized in the school last fall by Ted Blossom, the Boys' Club secretary, and Mr. Stickney. They chose Mr. Boblenz as club advisor because he had done this type of work in the Champaign High School before he came to Springfield. Thirteen boys chartered the club, and during the second semester the club initiated twelve new members.

A committee of three drew up our constitution which was accepted by the social committee of this school and the international Y. M. C. A. council.

Our programs are based on four "C's" of proper living—clean living, clean athletics, clean speech, and clean scholarship. Our purpose as stated by the international Hi-Y is to "create, maintain, and extend throughout the school and community high standards of Christian character."

The club project for the year is to work with the School Beautiful committee to beautify the grounds of the school.

We have two meetings a month, a dinner meeting at the "Y" and a program meeting at the school.

## LANECON CLUB

The Lanecon Club holds the distinction of being the most active girls' club in Lanphier. Looking over the year's program gives an amazing and most interesting list of activities. Besides the monthly program meetings we have held a weiner roast, picnic at Lake Springfield, Christmas party, an entertainment for 8-A graduates, Mother's Day party, Senior Tea, Faculty Dinner, a Rally Day of all Sangamon County Home Economics Clubs, made a school flag, and sponsored a Courtesy Week in November for the school.

Membership is limited to girls taking Home Economics or who have taken it. New members are installed at a candle-light service. There are forty-seven active members at the close of this year. Awards are made to Seniors who have belonged to the club two years or more. Activities of the club are planned by the Cabinet consisting of Dorothy Coleman, President; Jane Eade, Vice President; Dorothy Catlin, Secretary; Geraldine Mann, Treasurer; Frances Hendricks, Program Chairman; Catherine Plain, Social Chairman; Sylvia Petrokas, Service Chairman.

## LANPHIER LIBRARY CLUB

Introducing the newest club in Lanphier High! It is made up of the energetic library assistants who organized the Library Club the first semester of the school year, 1937-38.

In addition to helping students select books and assisting with the clerical work, its purpose is to make the student body library conscious. The members are always willing to be of help to underclassmen and the club has already proved its worth to L. H. S. Social activities are also included in the club's program.

The officers for 1937-38 were:

President.....	OLIVE KOHL
Vice President....	KAY WIEDLOCHER
Secretary-Treasurer.....	DOROTHY LA BENNE
Advisor.....	V. JEAN THOMAS

## MATH CLUB

The Math Club is open to any student who has had one year of mathematics. Freshmen who are now taking algebra may belong to the Junior division of the club.

This club was organized on December 23, 1936, by eight charter members and Miss Blanche Raman, the faculty advisor. The club at its birth adopted the name "Alpha Beta Omega" which in reality are three Greek letters used in naming angles in Geometry, but the club is generally known around the school as the Math Club. Emblems were purchased bearing the Greek letters.

The purpose of the club is to make models which will be of use to the Mathematics Department. One of the fine results of our efforts was the winning of the State Fair exhibit prize. Many irregular solids and star polyhedrons have been made this year.

The officers elected for 1938 were: President, Kay Wiedlocher; Vice President, James Miller; and Secretary-Treasurer, Virginia Coons.

## MONOGRAM CLUB

The Monogram Club originated at the old Converse High School under the direction of Mr. Leonard Rake. It was then known as the "C" Club. William Gabriel, President, and John Fults, Secretary-Treasurer were the first officers.

In January of 1936 other officers were elected to take the place of those graduating. At this time Walter Conovay was elected President and Jim LaRocca, Secretary-Treasurer.

In January, 1937, the student body moved to the new Lanphier High School. The "C" Club then became known as the Monogram Club. Darwin Conovay, football captain elect, was chosen to take Jim LaRocca's place. At the close of the 1937 football season new members were taken in and the present officers were elected.

The Monogram Club is an active organization and because of its ideals, is held in high esteem by all the students. The Monogram Club has been under the leadership of Don Anderson since he was added to the faculty in 1936.

## NATIONAL HONOR SOCIETY

Lanphier Chapter of the National Honor Society of Secondary Schools was granted its charter this year. To attain membership in this organization is the highest test of scholarship and school citizenship. The club constitution provides that not more than fifteen per cent of any 12<sup>th</sup> class shall be elected to membership, and these candidates must be the foremost Seniors in the school in the four qualities of scholarship, service, leadership and character. Each member is entitled to wear the national emblem of the society, receives a membership certificate and a seal for his diploma, and has his name placed on a suitable public record in the school. The first project of the group is to prepare an illustrated history of Lanphier High School.

## QUILL AND SCROLL

Quill and Scroll was organized at Lanphier High School on March 13, 1937, when the original thirteen charter members were initiated at an evening party held at the home of Miss Van Deventer, sponsor and faculty advisor of the Lanphier Light.

Quill and Scroll is an international honor society for high school journalists. Membership comes only to those students who have written and had published materials that are superior, during the semesters they were actively engaged in publications work, and whose character and scholarship are above average.

Specimens of the work of these students must be submitted to a jury of judges at International Headquarters at Northwestern University where it is passed on in competition with the work of other student journalists from chapters all over the United States, Canada, and many foreign countries.

## STUDENT COUNCIL

The Student Council is a group of students elected from the student body by the students to do some of the administrative work in the school. There is a student in the council from each home room.

Some of the work of the Student Council is to find ways of keeping the school looking presentable at all times. If something does not satisfy the student body some member of the Student Council turns the complaint into the Student Council and the council finds some way to remedy it, if possible.

The Student Council was organized in the fall of 1934. It was organized by Mr. Stickney and he was also the faculty advisor at that time. The Student Council meets every two weeks. Since we have moved over to the new school Mr. Fowler has become the advisor.

## LANPHIER BOOSTER CLUB

### OUR MOTTO

I am only one.  
But I am ONE.  
I can't do everything,  
But I can do something.

What I can do, I ought to do,  
And for Lan-Hi boys and girls,  
I will do.

### HERE'S TO THE CLASS OF '38

Memories of days gone by  
Will be reflected in your lives.  
And if you strive as we have done,  
Lan-Hi praises can e'er be sung.

So join with us, Class Thirty-Eight,  
Life's race to be run,  
Our Motto as your guide,  
Will bring you lots of fun.

J. R. Haynes.

## P. T. A.

The Lanphier High School Parent-Teacher Association was organized January 5, 1937, shortly before the new building was completed. During the past year the association has equipped and operated a cafeteria; planted several permanent flower beds, one tree and one hundred feet of privet hedge; furnished shoes, clothing and work to needy students; with the assistance of the Booster Club, paid the director of instrumental music to meet with the Band twice a week during vacation; assisted the Choir in purchasing robes; assisted the Band in purchasing additional uniforms; planned a program to inform the membership of the needs of the high school and has tried in every way to carry out the ideals of the National Congress of Parents and Teachers—to promote the welfare of Youth in home, school, church and community.

### LOYALTY AND PATRIOTISM

Flags presented by Women's Relief Corps of Grand Army of the Republic

## A SONG OF OUR FLAG

Your Flag and my Flag!  
    And, oh, how much it holds—  
Your land and my land—  
    Secure within its folds!  
Your heart and my heart  
    Beat quicker at the sight;  
Sun-kissed and wind-tossed,  
    Red and blue and white.  
The one Flag—the great Flag—the  
    Flag for me and you—  
Glorified all else beside—the red  
    and white and blue!

Your Flag and my Flag!  
    To every star and stripe  
The drums beat as hearts beat  
    And Fifers shrilly pipe!  
Your Flag and my Flag—  
    A blessing in the sky;  
Your hope and my hope—  
    It never hid a lie!  
Home land and far land and half the  
    world around,  
Old Glory hears our glad salute and  
    ripples to the sound!

### A FRESHMAN'S PRAYER

I want to be a Senior and with the Seniors stand,

With fountain pen behind my ear  
and notebook in my hand;

I wouldn't be a president, I wouldn't  
be a king,

I wouldn't be an emperar for all  
that wealth would bring,

I wouldn't be an angel, for angels  
have to sing,

I'd rather be a Senior and never do  
a thing.

---

October is the month of football games and of course many weiner roasts . . . Miss Furlich took her 9<sup>th</sup> girls to Lincoln Park for a weiner roast and gave them cider . . . We made a donation to S.H.S. in football—the score was 33 to 0 . . . The month ended with a football game and a Homecoming Dance held after the game . . . Who said our football heroes couldn't dance?

## CALENDAR AND WIT

With November come the melo-drama "School for Husbands"—The audience applauded Jim Von Gundy for his acting feverishly but Jim wasn't acting . . . The next day he had scarlet fever . . . Parents became pupils one night as L.H.S. held a night session . . . Parents followed the students class schedule . . . Miss Whitlock directed "Hiawatha," a cantata with all Freshmen and Sophomores taking part . . . The faculty of L.H.S. had a party but the students never heard about it . . . The Lanphier Band added much color to our football games this season . . . At each game the band marched around the field and played several numbers . . . The two girl baton twirlers and of course Russell Gillock were the chief centers of attraction . . . School closed for a Thanksgiving holiday.

E. Davis: "If the Dean doesn't take back what he said to me this morning, I'm going to leave school."

K. Schmeing: "What did he say?"

E. Davis: "He told me to leave school."

December began with a Senior night dance . . . Even rain couldn't keep those "truckers" and "big apple" dancers away . . . The faculty beat the Monogram Club in a bas-ketball game . . . Mr. Lindquist looked more like a ballet dancer than an athlete with his blue costume and a ribbon to match . . . Ed Davis, "caveman," and baby Ralee Walton were two of the members initiated into the Club that night . . . Our first home game in basketball went over with a bang . . . We beat Cathedral 30-23 . . . Flash! Mr. Rake has a successor, a little son . . . The Lanphier Choir presented an oratorio, "The Messiah" . . . S.H.S. beat Lanphier by a score of 29-27 . . . Ed Batlow of the S.H.S. team sank a basket in the last seconds of play . . . On the last day of school before the Christmas holidays John Patrick was the first to leave the building . . . He wanted a long vacation . . . The L.H.S. basketballers won first place in the Lanphier invitational tournament . . . The picture shown on this page is of Virden receiving second place . . . How Come?

# LANPHIER HIGH SCHOOL

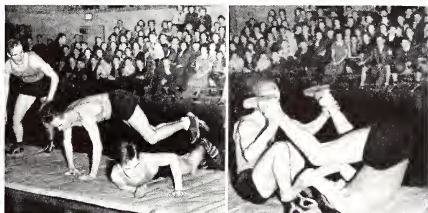

## CALENDAR AND WIT

With the coming of January, L.H.S. resumed its work . . . A smallpox epidemic broke out and nearly everyone walked around the building holding out a stiff arm . . . Oh, my vaccination . . . A brand new orchestra consisting of Lanphier students and directed by Bob Refine, a Senior, played for a matinee dance . . . They really can swing it, too . . . Recognition was given to several graduates of L.H.S. . . . Scholarship was given to Alfred Redding . . . Lanphier's second graduating class received their diplomas at an evening exercise at the school . . . The first semester ended, and then came the storm . . . After pupils finished pouring into Lanphier, the enrollment increased to nearly a thousand . . . Lanphier's Freshman and Sophomore basketball team won the Athens tournament.

Mary Hitt: "Where is your brother, Walter?"

Glenn McMann: "He's in the house playing a duet. I finished first."

February found the students and the faculty settled after the crowded conditions of the school were remedied . . . The Lanecon Club gave a Valentine Dance and Bob Refine and his orchestra played . . . Many balloons decorated the gym, but they didn't last long . . . The faculty had another party . . . Did they have a valentine box? . . . A drive for Booster Club membership was held throughout the school . . . A prize of a bushel of apples was to be given the home-room having the largest percentage of memberships . . . The 12<sup>th</sup> Boys won the prize and Lil Abner boasted of getting six apples . . . Did he get that many memberships? . . . A Washington's Birthday Dance was given by the Seniors and Alumni . . . The last few days of the month were spent in awaiting the Lanphier regional basketball tournament.

## CALENDAR AND WIT

Definition of proportion: Sides are proportional when the fraction is sensible and can be reduced.

March brought with it the regional tournament . . . Lanphier played Ball Township and defeated them . . . However when we opposed S.H.S it was a different story . . . Feitshans High came out with highest honors with Springfield High a runner up . . . Our band was present at every game . . . What would we do without the Band to lead us in our pep songs? . . . The Lanphier tumblers were an added attraction during the tournament and other basketball games . . . Teams of both boys and girls had special outfits in the school colors of orange and black . . . Both our excellent band and the daring tumblers surprised the out of town and local visitors . . . Crowds at the basketball games were shown much courtesy by the ten girl usherettes and the two cheer leaders . . . Under the guidance of Mr. Goodwin these girls ushered at every game and during the "half" of the games they marched . . . These girls carried out the school's colors by wearing orange satin blouses and black skirts . . . St. Patrick's Day was celebrated by a Lan-Hi Dance . . . Everyone went home with confetti down his back, in his hair, and even in his mouth . . . Another school orchestra, directed by Jack Frenz, a Senior, played for this dance . . . The Lanphier Choir under the direction of Miss Whitlock, presented the operetta, "The Belle of Barcelona" . . . Pauline Gyuron and Don Davis furnished most of the comedy for the operetta . . . And Anna Marie Lawson, the leading lady, made a sweet bride for Lomont Haynes . . . Our band again showed its superior quality by winning highest honors in their class over many other high schools that competed . . . The girls of the band received new uniforms . . . After the band members were fully uniformed, the whole school sold tickets to the moving picture, "Tom Sawyer," to pay for them.

Director of Band and instrumental music and a member of the band were walking on the street in Quincy. A friendly girl greeted them—"Hello, Boys."

It is nice to be young?

## CALENDAR AND WIT

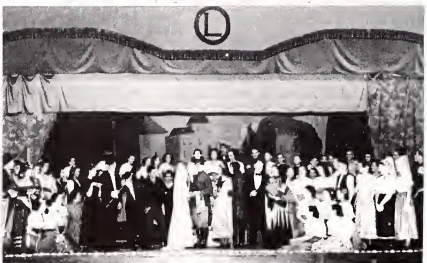

With April come the second Lonecon Club Rally Day . . . The Lanphier Lonecon Club entertained the Home Economics Clubs from all over Songamon County . . . Dorothy LaBonne was the winner in naming the Lan-Hi Show . . . The name she suggested was "Co-Club Copers".

A prize of a 1938 Lan-Hi was given to her . . . Hurrah! After a long steady grind for several weeks, relief came to the students of L.H.S. . . . but not to the teachers . . . The S. C. teachers' meeting relieved us of one day of school . . . What? Another vacation? . . . Good Friday afforded us another day's relief . . . Our Bond presented a fine concert of the school to show their gratitude for their new uniforms . . . "Co-Club Copers," the variety show presented by the clubs of Lanphier, was a huge success . . . Seniors held a motinee dance so that the Juniors and Seniors could practice up for the coming prom . . . Track seemed to be the chief sport this month . . . Under the coaching of Mr. Dopp our team defeated Athens . . . The team also did good work at the Divernon and City Triangular Meets . . . At the end of this month the Seniors were preparing for their one big moment—graduation.

## CALENDAR AND WIT

With the coming of May all eyes were focused upon the Seniors . . . The Junior-Senior Prom was held and nearly every Junior and Senior turned out for this big event of the year . . . Dancing and a number of games were enjoyed by all . . . The Senior class play, "Peg O' My Heart," was presented in the Lophier gym by the Drama Class . . . The role of "Peg" was played by none other than Marian Schneider . . . We know that the class of 1938 will never forget this play . . . An educational fair was put on by the Booster Club and P.T.A. . . . The exhibits for this fair were the works of the students in the different classes of L.H.S. . . . Baseball was the favored sport this month . . . Coach Hugo Lindquist had quite a large team . . . The Seniors were recognized for their ability in the different departments in an assembly before the whole student body . . . With many thanks to the Lophier Booster Club, we are happy to say that instead of receiving just a certificate showing scholarship, the students received an award of five dollars . . . A baccalaureate service for the graduating class was held at the Third Presbyterian Church . . . Those May Seniors were really a dignified looking group . . . And lost, but not least, came graduation . . . The Seniors received their well-earned diplomas on Monday night, May 23.

Absence makes the marks grow rounder.
